

PCC Update following the PCC Meeting on 13th June 2016

Building Committee – Can you help??

This new committee will look after maintenance and development of the church fabric, the property on Highgarth and the upcoming quinquennial inspection. This work has been brilliantly supported by Ray de Vial, David Baker, Clive Handley and others in the past and it is time for full team of 4 or 5 members. Please contact George or PCC@stkmail.org.uk if you are interested in being involved.

PCC Connections

To generate stronger connections and communication between PCC, ministry leaders and teams, individual PCC members are looking to connect and learn from areas of church life such as Cedars, Toddlers, DJ's / Children's Work, Youth, Worship, Community Outreach/ Evangelism, Connections Mission Partners, Staffing, Finance, Buildings, Deanery, Churches Together, Small Groups, School, Messy Church, Mid-week communion. This will bring to PCC meetings and decisions a stronger sense what God is doing at the heart of these ministries and enable PCC to hear testimonies, pray for and understand and support progress in each area. The list of PCC members' ongoing connections to ministries will be published – so they are accessible for conversation, testimony, learning etc.!

Finance

The PCC made decisions to fund the following:

- new microphones / headsets to replace those which are now failing
- internship starting September, assuming successful applications and the right candidate and host is found
- lump sum for all staff pensions going into our newly set up pension scheme to bring them up to date
- STK defibrillator, to be placed outside the main entrance
